 RENTAL - GENERAL REQUIREMENTS				
Method of Payment				
Major Credit Cards are accepted (American Express, Mastercard, Visa). At the beginning of the rental, customer must have a valid (for the entire duration of rental) credit card in his name as guarantee and to cover the rental costs. Felirent will proceed to block an amount on this card that will cover the expected costs of the rental as well as an amount for a full tank of fuel and in any case not less than what is provided in the table below. In absence of this guarantee it will not be possible to proceed with the rental. In all cases Felirent reserves the right to not to proceed with the rental.				
Debit Cards, Prepaid Cards, Electrons bearing the logo of the main international circuits (Mastercard, Visa, Visa electron), the name of the Customer, and the card identification number are also accepted. These cards must also be valid for the entire rental period and a ceiling to cover the immediate charge of the entire rental amount plus the amount of the security deposit provided. If the customer intends to use one of the aforementioned cards, the purchase of the additional "Gold Protection" service becomes mandatory. The purchase of the additional service "Gold protection" is mandatory even in the case of a prepaid rental and/or from a Tour Operator. In some cases it may be necessary to request the customer's own bank details in order to be able to refund the security deposit, in such case the higher cost will be charged to customer for the reimbursement due, for more details regarding the calculation of the amount charged see the reference table below.
